# **Clint Landfill New Scale**

**Solicitation No. 2011-164**

## **SCOPE OF WORK**

The City of El Paso will be adding one new scale at the Clint Landfill Scale House facility. The existing facility currently has one inbound scale and one outbound scale. The new scale will be located south of the existing inbound scale and will accommodate dedicated inbound traffic. In addition to the installation of the new scale, the project will require site grading, concrete ramps for the approach and exit, structural support for the new scale, traffic lights, and associated electrical and communications infrastructure. The roadway that approaches and exits the new scale are not part of this project. This project shall also include the installation of a new Scale Management Software system.
